The next meeting of the Library Board of Trustees will be February 22, 2023.

Taneisha Tucker
Director's Report to the Library Board of Trustees
November and December 2022
December 2, 2022

Statistics and Programming Overview

	<i>October 2022</i>
Visits	33.58% increase
Program Attendance	62% increase or 451 patrons 69 programs with 1,173 patrons
Circulation	4.45% increase 23,640 physical materials 11,408 digital materials 35,048 total collection use
Services	<ul style="list-style-type: none"> • There continues to be a waitlist for passports. • Patrons absolutely love the new pods/study carrels. • The photography studio is a hit for the holidays.

Bank Statement, Budgets and Balance Sheets

Pinnacle Bank Statements

October 2022: Expenses: \$1,123.19
 Bank Fees: \$194.50
 Vending Fees: \$10.99
 Deposits: \$6,701.91
Account Balance: \$310,327.13

Budget Report as of October 2022

General Fund 01 Balance: \$2,367,303.93

Fund 12 / State Aid Balance: \$29,313.00

Fund 13 / Donations Balance: \$67,918.37

Balance Sheets:

November 2022 Fund 12 / State Aid: \$6,700.97 (Not updated via InCode)
 Fund 13 / Donations: \$339,997.36

Director's Notes

Library Happenings

- Former Jefferson County Commissioner, David Carrington, has written a book. He will host a book signing at the library on Sunday, January 15, 2022. He plans to donate 20% of each sale to the library.
- Our annual staff day was a success. Sessions conducted were Diversity, Equity and Inclusion and Active Shooter. Staff also partnered with the Fire Department and conducted a Toys for Tots drive.
- Four staff members will attend ALA's LibLearnX in New Orleans in January.
- ALA's Annual Conference will be June 23-26, 2023 in Chicago, IL. There are funds for two BOTs to attend. Please contact me if you want to go. I will make reservations in January.

Director's Meetings, Events Schedule included:

- Mike Culwell – complaint about a patron
- Mark Gibbs – library elevator repair
- Library Department Heads
- Valerie Jones – upholstery
- Library Staff
- Daniel Tackett
- Todd Richardson – marketing, annual mailer
- JCLC Directors
- Karen Templeton – Foundation
- City Department Heads (2)
- Fun Squad – Staff Day
- Melva Tate – Staff Day
- Alabama Public Library Service Administrators
- Library Board Interviews
- City Council Meeting

Library Board Meeting Minutes November 9, 2022

I. Call to Order – April MacLennan, Chair

The Vestavia Hills Library in the Forest Board of Trustees met in regular session on Wednesday, November 9, 2022 at 4:02pm.

Present:

**Ms. April MacLennan – Chair
Mr. Greg Laughlin – Vice Chair
Mr. Larry Cochran – Member
Mr. Greg Jones – Member
Dr. Jimmy Bartlett – Board Emeritus
Ms. Elise Bodenheimer – Friends Co-Chair
Ms. Karen Templeton – Foundation Chair
Ms. Taneisha Tucker – Library Director
Mr. Daniel Tackett – Deputy Director
Ms. Loraine Ward – Administrative Assistant
Mr. Todd Richardson – Marketing Department Head**

Absent:

**Mr. Kevin Archer – Member
Mayor Ashley Curry – City Liaison
Ms. Andi Preston – Friends Chair
Mr. Jeff Downes – City Manager
Ms. Bethany Mitchell – Recorder**

II. Approval of Today’s Agenda

Mr. Cochran motioned to approve the amended November 9, 2022 agenda. Mr. Laughlin seconded the motion. The amended agenda for today’s meeting was unanimously approved.

III. Approval of Minutes from Wednesday, August 31, 2022

Mr. Cochran motioned to approve the minutes from August 31, 2022. Mr. Laughlin seconded the motion. The BOT minutes from August 31, 2022 were unanimously approved.

IV. Director’s Report – Ms. Tucker

Included in the packet.

V. Library Board Packet Items

a. News Articles and Correspondence

Included in the packet.

b. Monthly Statistical Reports (August, September 2022)

Included in the packet.

c. Bank Statements (August, September 2022)

Included in the packet.

d. Current Budget Report

Included in the packet.

e. Balance Sheets, Fund 12 and Fund 13

Included in the packet.

VI. Unfinished Business

a. *Agati Pods and Chair Purchases Complete – Mr. Tackett*

Ms. Tucker stated that the Agati Pods are very popular with patrons and staff. They are spacious enough to accommodate individuals of a variety of sizes. Mr. Tackett added that the library still has the same number of tables and seating for patrons despite the addition of the pods. In addition, the library staff now has new desk chairs. These chairs have replaced the original chairs that have been in use since 2010.

b. *Surplus Furniture – Mr. Tackett*

The library's surplus furniture will be sold on govdeals.com. This website is an online marketplace for the sale of surplus assets that is open to the public for bidding. Mr. Tackett expects most items to sell within the next week or two. The buyers pick up the items once sold. The library's surplus items include lounge furniture, old staff desk chairs, infrequently used mesh chairs, a stage and other items.

c. *Library Board Application Deadline – November 14, 2022 – Ms. Tucker*

There are currently no applicants for the library board. There have been inquiries but no submitted applications. The library board has two vacancies this year: the positions of Greg Laughlin, Vice Chair, and April MacLennan, Chair. Ms. Tucker stated that Mr. Laughlin said he would not reapply, while Ms. MacLennan plans to reapply.

d. *Library Board Interviews – November 17 and 18 2022 – Ms. Tucker*

The city council and mayor will begin interviews for the library board on November 17 and 18 depending upon the number of applications.

VII. New Business

a. *Meet Todd Richardson – Marketing Department Head – Mr. Richardson*

Mr. Richardson provided a preview of the next library campaign theme: Better Together. This year-long campaign began with the annual mailer for the library foundation. The mailer included a group photo of the library staff wearing a purple t-shirt with the "Better Together" logo. The Better Together staff shirt does not currently include any library branding in hopes that the campaign will expand city-wide and throughout the community.

Mr. Richardson shared potential marketing strategies which included: partnering with local businesses to offer prizes and giveaways, providing library programming and special events around the Better Together theme, making a webpage to sell themed t-shirts and merchandise and more. He stated that the #pictureyourselfieVH campaign did not meet its goal of engaging the community due to the hashtag being lengthy, patrons having trouble sharing online because of privacy settings and other issues.

Ms. Templeton stated that it was difficult to make a connection with the library through the Picture YourselfieVH campaign. She also suggested adding library branding to the Better Together t-shirt to make a stronger tie to the library. She was concerned that others may assume that the slogan identifies with a political party or entity other than the library. She indicated that the purple color does not connect with the library.

Mr. Jones said he thought the t-shirt has a great message but that the slogan “Better Together” is general with no context. To give context to the message, he suggested having “Library Staff” on the t-shirt or to have an identifier on the back of the shirt. This identifier could remain the same each year even if the t-shirt color changed each year. He proposed selling the t-shirts to city personnel for a unified city message that they can buy into.

Ms. Tucker explained that the t-shirts in question are for staff only, but she is open to creating a different shirt that includes the board’s suggestions that will be for those other than library staff.

b. ***2023-2024 Library Initiatives – Ms. Tucker***

The library’s 2023-2024 initiatives include changing the water fountains to water bottle filling stations, replacing the flooring at the main entrance, updating the projector in the Community Room, adding an electric car charging station, replacing outdoor furnishings, completing furniture upholstery, purchasing digital signage and upgrading the library’s technology system. Ms. Tucker asked the board to add other initiatives if needed.

i. *Electric car charging station – Mr. Tackett*

The library is considering adding charging stations for electric vehicles. A dual charging station costs approximately \$2,000. This station charges two vehicles at no fee to the patrons. Regarding the cost of electricity, an hour of charging should cost less than a dollar. A single unit that charges for service fees costs \$8,000 – \$10,000. This type of unit requires internet access. Potential locations for the stations include the upper parking lot or the lower parking lot near the low-emission parking spots. Mr. Tackett spoke with a representative from Tesla, but the company is only interested in installing a large row of stations. The Pelham Public Library currently has electric car charging stations that were donated to them, and they are becoming more popular with patrons. They have a two-hour limit. Issues they have had with the stations include patrons finding it unfair to subsidize only electric cars and a nearby car dealership using the stations overnight for their vehicles. Mr. Tackett said that the only electric car charging stations in Vestavia Hills are located at the Volvo dealership.

Mr. Jones and Dr. Bartlett suggested creating a convenience fee for usage since this would be a service to the community. Mr. Jones believes the library could set an example for moving forward with clean energy and that a partnership with Alabama Power may be possible.

Ms. Templeton suggested that patrons could partner with the library and become environmental advocates. They might give a gift of \$50 to receive a permit tag. In this way, the library could purchase the free self-service charging station but still receive money for services. Mr. Cochran suggested including a sign at the station that states the usage is by permit only. Ms. Tucker stated that the library’s security officer would be able to enforce any regulations and limitations for using the charging stations if needed through the security cameras’ 24-hour footage.

ii. *Digital Signage*

The purpose of digital signage is to help promote library programs and events. Prices vary from \$1,800 - \$4,000 depending upon desired features and capabilities. City Hall has requested that the first monitor displays items only for City Hall such as City Council meetings and city announcements. This monitor would replace the paper notices located on the bulletin board on the first floor of the library. The library will also have its own digital signage that is library specific.

iii. *Upgrade the Library's Technology System*

The SAN has successfully been installed, but the remainder of the system still needs an upgrade. If the system is not upgraded, there is a risk of security issues due to components and software being out of date. The upgrade is expected to cost \$34,000. Mr. Jones stated that this quote includes the hosts, which are two servers that connect to the SAN, and the VMware licensing. Rick Moody, IT, found discounts on TechSoup to reduce the licensing costs. The library would save approximately \$8,000 due to the TechSoup discount. However, Mr. Jones stated that the library may still need to purchase an additional host, which also requires purchasing an additional Windows license. These costs are not included in the quote. He recommends purchasing three hosts at a time. If one fails, the other two can compensate for the loss.

Ms. Tucker stated that funds have not been put aside yet to complete the upgrade but that the upgrade will occur. She encouraged the board to share their thoughts in the process in terms of what to purchase for the server or if the library should convert to cloud computing instead. If cloud computing is recommended, the library must discuss the potential conversion with JCLC to ensure that it would work with their system. Regarding a possible switch to a cloud-based system, Mr. Jones said that it comes down to paying costs now for on-site technology or paying costs infinitely for a cloud-based system.

c. *ALSCAN proposal to repair doors – Mr. Tackett*

Upgrading the door locking system is in the capital budget for this year. The current door locking system is 12 years old and is beginning to fail. The library has received two quotes, both of which come to approximately \$13,000 - \$13,400. The library will likely choose ALSCAN. This company installed the library's camera system, and they will also provide a maintenance agreement for the door locking system. The other company was difficult to reach when asked to come to fix an existing issue with the system.

Ms. Tucker added that she must alert the City Council if the library goes over budget or not. The original quote to repair the doors was \$7,500 in February, which is the amount that was submitted and requested to the city. The company later increased the estimated cost to \$12,000. After researching, ALSCAN arose as an alternative option. While more expensive, they provide maintenance while the other company does not. Ms. Tucker hopes to use \$4,000 in Fund 13 dedicated to building repairs, ask Mr. Downes for up to \$5,000 and ask the City Council for the remaining funds to ensure the completion of this project.

d. *Replacing fire alarm panel – Mr. Tackett*

The fire alarm panel is 12 years old and needs to be replaced. Johnson Controls can replace the panel within the next two months. The panel aids in monitoring and displays information

about issues that have occurred. It is also used for communicating with Johnson Controls. Johnson Controls recommended the replacement of the panel. This company also monitors the library's fire suppression systems, alarm systems and burglary alarm systems.

e. ***Electronic Meetings Policy – Ms. Tucker***

The library board must resume in-person meetings because the board is a public entity. A quorum is required for in-person attendance. Based on the policy, if a member is sick, the member may attend the meeting virtually such as through Zoom or another online meeting platform. Ms. Tucker will draft the new policy.

f. ***Policy and Procedure Update / Public Computers and Patron Privacy – Ms. Tucker***

Ms. Tucker received a complaint from a patron that was working on a public computer at the library. The patron could see other patrons' files on her computer. Ms. Tucker immediately had Rick Moody, IT, reconfigure the computers to resolve this issue. The policy will be updated to address this issue.

Additionally, Comprise has incorrectly configured some of the library's fine payment software. As a result, the library owes other libraries money, including an estimated \$1,200 to Hoover. Ms. Tucker has spoken with management at Hoover about it. Money may also be owed to Homewood, but the amount is currently unknown. It is also not currently known if any other libraries owe money to the Vestavia Hills Library. Ms. Tucker has not made any payments to the other libraries yet and is making sure all components are reconfigured appropriately first.

Due to a policy change that occurred many months ago, overdue items are due sooner and patrons are billed for missing items sooner. As a result, there has been an increase in patrons paying for items and subsequently asking for a refund for the item once they find the item or return it. These costs total approximately \$100 as shown in the bank statements.

VIII. Committee Reports

IX. Friends Report – Ms. Bodenheimer

The bookstore generated \$366 in October. The Friends currently have \$53,000 in savings. Ms. Preston and Dave Melvin, treasurer, are monitoring the higher interest rates. The Friends are seeking to rebuild their membership after its decline due to the COVID-19 pandemic. They are marketing membership opportunities on *Over the Mountain Journal*, Facebook, Nextdoor and other outlets.

X. Foundation Report – Ms. Templeton

a. ***Let's Write the Next Chapter***

Ms. Templeton provided a financial report current as of July 31, 2022. In-person and online donations typically total \$600-\$1,000 annually. The fines and penalties in the financial statement are due to late tax returns. The foundation began the "Let's Write the Next Chapter" initiative on July 1, 2022. This initiative was a crowd-funded, online campaign that began with foundation members and was meant to spread to others to help fundraise for the library during a limited time. The Swell Fundraising software cost \$500 and can be used indefinitely. Despite limited participation from foundation members, the foundation raised over \$8,000 from the campaign and received sponsorships from two businesses. Ms. Templeton stated that with more volunteers and support, she expects future campaigns to

generate even more donations. She would like to offer the campaign again in March or in the fall. The foundation will begin a Giving Tuesday campaign online soon. Last year, the Giving Tuesday fundraiser generated \$500. Regarding fundraising for an endowment, Ms. Templeton stated that such a project would require a more personal approach such as presenting to high-capacity donors in specific areas of interest.

b. ***Ad and annual mailer***

The Foundation placed an ad in *Vestavia Voice* that provided information on how to invest in the library. They purchased it at a non-profit rate of \$400.

XI. Informational Items

a. ***JCLC Annual Report – Mr. Tackett***

Both JCLC's circulation as a cooperative and the Vestavia Hills Library's circulation increased this year. JCLC's circulation of electronic materials decreased. In contrast, the Vestavia Hills Library's circulation of electronic materials increased slightly even with a small reduction in items available for check out. Circulation of the Vestavia Hills Library's physical materials increased dramatically due to the previous year's report occurring while COVID restrictions were still in place. The library is now slightly higher in its circulation of physical materials than it was in 2019 before the pandemic began. The Vestavia Hills Library ranks second in electronic circulations within JCLC, with only the Hoover Public Library ranking higher.

b. ***Compiled APLS Annual Report 2021 – Ms. Tucker***

This report is postponed until the next meeting.

c. ***APLS Report due December 15, 2022 – Ms. Tucker***

This report is for the previous fiscal year and will be discussed further at the next meeting.

d. ***VH Veteran's Day Celebration – November 10, 2022 @ 2:30pm Civic Center – Ms. Tucker***

Ms. Tucker invited the board to attend the event at the new Civic Center.

e. ***Library Staff Day – December 1, 2022 – Ms. Tucker***

The library will be closed to the public for staff training. Melva Tate will discuss diversity, inclusion and equity. Staff Day might also include active-shooter training.

f. ***December Meeting Date – December 7 or 14, 2022 – Ms. Tucker***

A meeting is necessary to elect officers and discuss postponed items before the end of the year.

g. ***Partnership with the Alabama Symphony Orchestra – Ms. Tucker***

The library has partnered with the Alabama Symphony Orchestra to provide library patrons with free concert tickets.

XII. Adjournment

The meeting adjourned at 5:18pm. The next BOT meeting is Wednesday, December 7, 2022 at 4pm at the Vestavia Hills Library.

Judge Matt Fridy [@](#) Vestavia Hills Public Library

Thanks to John Lyda for the invitation, I had the honor of speaking on a panel with Judge Chris McCool, Judge Richard Minor, and Judge Bill Cole this morning at the Mid Alabama Republican Club. We discussed recent Supreme Court decisions and talked generally about the directions we think the Court is heading in interpreting and applying the Constitution.

REVIEWS

Charles: "What a wonderful place to go. Very nice staff and beautiful inside."

Caroline: "This library is the best one in Jefferson County! Clean, beautiful, updated and staff are friendly/helpful!"

Susan: "Friendly, on time for appointment, prompt passport service. Would highly recommend for anyone needing passport assistance."

Katlynn: "Beautiful architecture of the library building and the scenic view into the trees. The librarian staff was kind and went above and beyond giving me a tour of the library since I'm new in town. I love their garden rooftop area which is a perfect place to study & read outdoors!"

Six November Events Not to Miss in Vestavia Hills

Oct 25, 2022 | Events | 0

Vestavia Hills City Center Market Day

Saturday, Nov. 5 | 11 a.m.-3 p.m.

City Center

Join friends and family for the city's market day, which takes place on the first Saturday of each month on the back green space in the city center. Local vendors will be selling art, jewelry, candles, flowers, specialty items and more! Those interested in becoming a vendor can email april@crawfordsq.com for more information.

Deck the Heights

Saturday, Nov. 12 | 2-7 p.m.

Cahaba Heights

Get a head start on holiday shopping when businesses stay open late throughout Cahaba Heights, and you'll find pop-up shops all day around Cahaba Heights, too. Pop-ups start at 2 p.m. Find more details on the event closer to the date on the [@shopcahabaheights](#) page on Facebook.

Friends of the Library: Unless U and Post Place

Thursday, Nov. 17 | 10-11:30 a.m.

Vestavia Hills Library in the Forest

Join the educators and volunteers of Unless U and Post Place to learn more about this organization's efforts towards serving adults with developmental disabilities to help them live wonderful lives. Topics will focus on continuing education, life skills, job training and social skills, as well as how the community can get involved. There will be coffee at 10 a.m., and the program begins at 10:30 a.m. All are invited to attend. Learn more at [Friends of the Library: Unless U and Post Place](#).

All is Bright Tree Lighting

Thursday, Nov. 17 | 6-8 p.m.

Vestavia Hills City Center

Get in the holiday spirit for the third annual tree lighting at the Vestavia Hills City Center! Bring the family out for a night of live music, photos with Santa, family-friendly activities and more!

Magical Marketplace

Thursday, Nov. 17 | 5-7 p.m.

Friday, Nov. 18 | 9 a.m.-4 p.m.

Vestavia Hills United Methodist Church

Already dreading what to buy that impossible-to-buy-for special someone in your life? Not to fear. Shop more than 75 vendors selling arts and crafts, baked goods, candles and scents, housewares, wooden items, toys,

VESTAVIA HILLS LIBRARY IN THE FOREST TECHNOLOGY AND EQUIPMENT (Portion of policy to be amended)

COMPUTER AND INTERNET USE

In keeping with the Library's mission to ensure that users have the right and means to free and open access to ideas and information and to help people obtain information to meet their personal, cultural, educational and professional needs, the Library offers computers for public use, including access to the Internet. Access to this electronic resource allows the Library to expand its print and non-print collections, to extend our community's reach around the globe for information of interest, and enable our patrons to enjoy self-directed lifelong learning.

Evaluating and Using Internet Resources

The Internet, as an information resource, enables the Library to provide information beyond the confines of its own collection. It allows access to ideas, information, and commentary from around the globe. Currently, it is an unregulated medium. As such, it offers access to a wealth of material that is personally, professionally, and culturally enriching to individuals of all ages. However, it also enables access to some material that may be offensive, disturbing, and/or illegal. Information on the Internet may be reliable and current, or it may be inaccurate, out-of-date, or unavailable at times. *Library users access the Internet at their own discretion.* Misuse and/or abuse of Internet access or library equipment will result in loss of computer privileges. The Library does not endorse, support, or condone the use of its equipment for materials that violate accepted community standards.

Patrons should be aware that the Internet is not a secure medium and that third parties may be able to obtain information regarding users' activities. The Library will not release information on the use of specific Internet resources by members of the public except as required by law or necessary for the proper operation of the Library.

Minors using the computer network or Internet should not reveal personal information. They should never give out a home address, phone number, real last name, or any other information to people who might try to locate them. Children should not arrange meetings with people they have "met" on the Internet. Regardless of age, users should never agree to meet people they have communicated with on the Internet in a secluded place or private setting.

Filtering the Internet

The host site for our Internet access is the Public Libraries in Jefferson County (PLJC). The PLJC is the countywide, non-profit organization dedicated to providing Internet access and many other services to 41 public libraries in Jefferson County. The Library filters public and staff computers for child pornography, obscenity and material deemed "harmful to minors" by the Children's Internet Protection Act, but no filtering service is completely effective. The Library does not edit what is made available or filtered out by this service. If a staff member determines that a patron is accessing a site which violates Library policy, the patron will be asked to leave the site.

Supervising Children's Use

Parents and legal guardians of children under the age of eighteen (18) are responsible for monitoring their children's use of the Internet and for deciding what Internet and other Library resources are appropriate for their children.

Internet privileges are available in the Children's Department for preschool through fifth grade and in the Teen Services Department for grades six through 12. No filtering software can control access to all materials that an individual may deem inappropriate. Therefore, parents are advised to supervise their children's Internet sessions and not to rely on filtering software. As with all Library resources, the Library affirms the right and responsibility of the parent/legal guardian, not Library staff, to determine and monitor their minor children's use of the Internet. Patrons under the age of 18 must have their parent/guardian's permission to bypass the computer filter, and the parent/guardian must remain with the child while the filter is disabled. Parents are required to remain with their children under the age of five years during a computer session. Children ages five years and older may use the computers without direct adult supervision; however, parents may not leave children eight years old and under unattended at the library.

Public Computer and Internet Use Guidelines

By using a computer workstation at the Vestavia Hills Library in the Forest patrons agree to follow these rules governing computer use. The Library reserves the right to modify these rules. All users assume responsibility for using computer workstations in an ethical and legal manner in accordance with Library policy and local, state and federal laws. If patrons fail to follow these rules, the Library may suspend or terminate use of library computers. The Library is not responsible for a patron's Internet use. The user, or the parent/legal guardian of a minor, is responsible for his or her own session at all times.

1. The Library reserves the right to place time limits on daily computer use; the limit may vary according to level of demand. Each computer session is sixty minutes. Time limits can be extended for an additional thirty minutes by requesting the extension before their time runs out, and only if there are other computers not being used. Sessions will not be extended past that point.
2. Patrons must use their Library card, or request a guest pass to access computers.
3. Staff will provide assistance to patrons as time and knowledge permits.
4. The Library reserves the right to terminate an Internet session that disrupts Library services or that involves user behavior that violates Library policy.
5. Only one person at a time may use a computer. Exceptions may be made for a parent who is assisting his or her child.
6. No software may be installed on Library computers.
7. ~~Patrons may download or save information onto a flash drive (USB) or temporarily to the Library's patron document folder.~~ Patrons may download or save information onto a personal flash drive (USB).
8. Since software and information downloaded from any source, including the Internet, may contain computer viruses, users are advised to utilize virus-checking software on their home computers. The Library is not responsible for damage to flash drives or computers or for any loss of data, damage, or liability that may occur from use of the Library's computers.
9. The Library is not responsible for lost work.

10. A scanner is available for patron use.
11. ~~A Print Card is required for printing or photocopying. Patrons must purchase an EZ Print Card in order to use the system. Print Cards have a one-time cost of \$0.50 and additional funds may be added to it as needed by the patron. The Library charges a fee of \$0.10 for each black and white page printed and \$0.50 for color. Patrons may print or photocopy with a library card or a guest pass. The Library charges a fee of \$0.10 for each black and white page and \$0.50 for each color page.~~

Patrons May Not:

1. Vandalize equipment. This includes but is not limited to damaging or attempting to damage or destroy equipment, software, or data belonging to the Library or to other users, including adding, altering or deleting files on Library workstations or other computer equipment.
2. Engage in activity that causes harm to others or damage to property.
3. Engage in activity that jeopardizes the security of the computer network or other networks on the Internet.
4. Represent themselves as another person for purposes of fraud or other illegal activity.
5. Engage in any activity which is deliberately offensive, libelous or slanderous.
6. Incur any costs to the Vestavia Hills Library in the Forest.
7. Use email or other formats of electronic communication in any way that compromises the safety of minors. Minors may not disseminate private information about themselves or others, including giving out credit card or social security numbers and arranging without the permission of parent/guardian any face-to-face meetings with others they have "met" on the computer network or Internet.
8. Cause the Library to incur liability for direct, indirect or consequential damages related to the use of information accessed through the Library's Internet service. The Library, having installed filtering technology, will have no liability for damages related to the operation, failure, or user circumvention of the filter.
9. Since software and information downloaded from any source, including the Internet, may contain computer viruses, users are advised to utilize virus-checking software on their home computers. The Library is not responsible for damage to flash drives or computers or for any loss of data, damage or liability that may occur from use of the Library's computers.
10. Use any Library workstation that violates the law or encourage others to violate the law, including without limitation:
 - a. Transmitting of offensive or harassing messages, offering for sale or use any substance or use of which is prohibited by law, or transmitting or downloading child pornography.
 - b. Violating software license agreements.
 - c. Gain unauthorized access to other computers or computer systems, or to attempt to gain such unauthorized access.

- d. Unauthorized copying of copyrighted material. (Such materials may include, but are not limited to, software, data, text files, images and sounds. Each Internet user bears full responsibility for compliance with applicable copyright law. The Library expressly disclaims any liability or responsibility resulting from any user's failure to comply with these laws, and reserves the right to confiscate illegal copies that are created with its equipment.)
- e. Disseminating or publicly displaying obscene matter. (Code of Alabama §13A-12-200.3)
- f. Disseminating or publicly displaying obscene matter containing visual reproductions of persons less than 17 years of age involved in obscene acts. (Code of Alabama §13A-12-191)
- g. Violation of above State ordinances 13A-12-200.3 and 13A-12-191 may subject you to loss of Library privileges or criminal prosecution.

VESTAVIA HILLS LIBRARY IN THE FOREST ELECTRONIC MEETING POLICY

Purpose

This policy establishes the details and procedures for Electronic Meetings that the Vestavia Hills Library in the Forest's (Library) Board of Trustees (Board) may hold to supplement in-person meetings as stated in the Code of Alabama in accordance with Act #2022-421. This policy provides specifics on when the Board will hold electronic meetings, the procedures for public attendance, the communication equipment the Library will utilize for the meetings, and how voting will occur.

Definitions

For the purposes of this policy, "electronic" includes telephone conference, video conference, or similar communication technologies, such as Zoom, Webex, Teams, etc.

Requirements for Electronic Meetings

The Board's electronic meetings may occur if a Board member cannot attend the meeting, and the Board meets the following requirements:

1. The Board has posted and notified the public that the meeting will occur 7 days prior to the meeting date.
2. At least 3 Board members (i.e. a quorum) physically attend the meeting.
3. All Board members and the attending public can hear each individual who attends remotely.

Electronic Meeting Technology

The Board will utilize Zoom to conduct its electronic meetings. The Library will provide login information to all virtual attendees and post it to its website at least 3 days prior to the meeting date. The Library's Technology Department will provide login assistance to any individual who requires it.

Public Attendance

The public may attend all general Board meetings, including electronic meetings. This excludes executive sessions. Attendance at Board meetings does not allow the public to participate to any extent beyond hearing the meeting.

Meeting Schedule

The Library will prepare an agenda and a Board packet prior to each general meeting. The Board will follow Robert's Rules of Order. Roll call voting will occur, where each Board member will individually vote in a manner that allows all participants, whether physical or virtual, to hear. The Library will distribute Minutes of the meeting after their approval at the next Board meeting.

**Adopted and Approved by the Vestavia Hills Library in the Forest's Board of Trustees

LIBRARY
IN THE FOREST
VESTAVIA HILLS

Library Board of Trustees 2023 Committee Assignments and Initiatives

Mission: As an innovative and vibrant community center, the Vestavia Hills Library in the Forest cultivates dynamic resources, environmentally conscious facilities and opportunities for life-long-learning, cultural enrichment, personal empowerment, and entertainment for all.

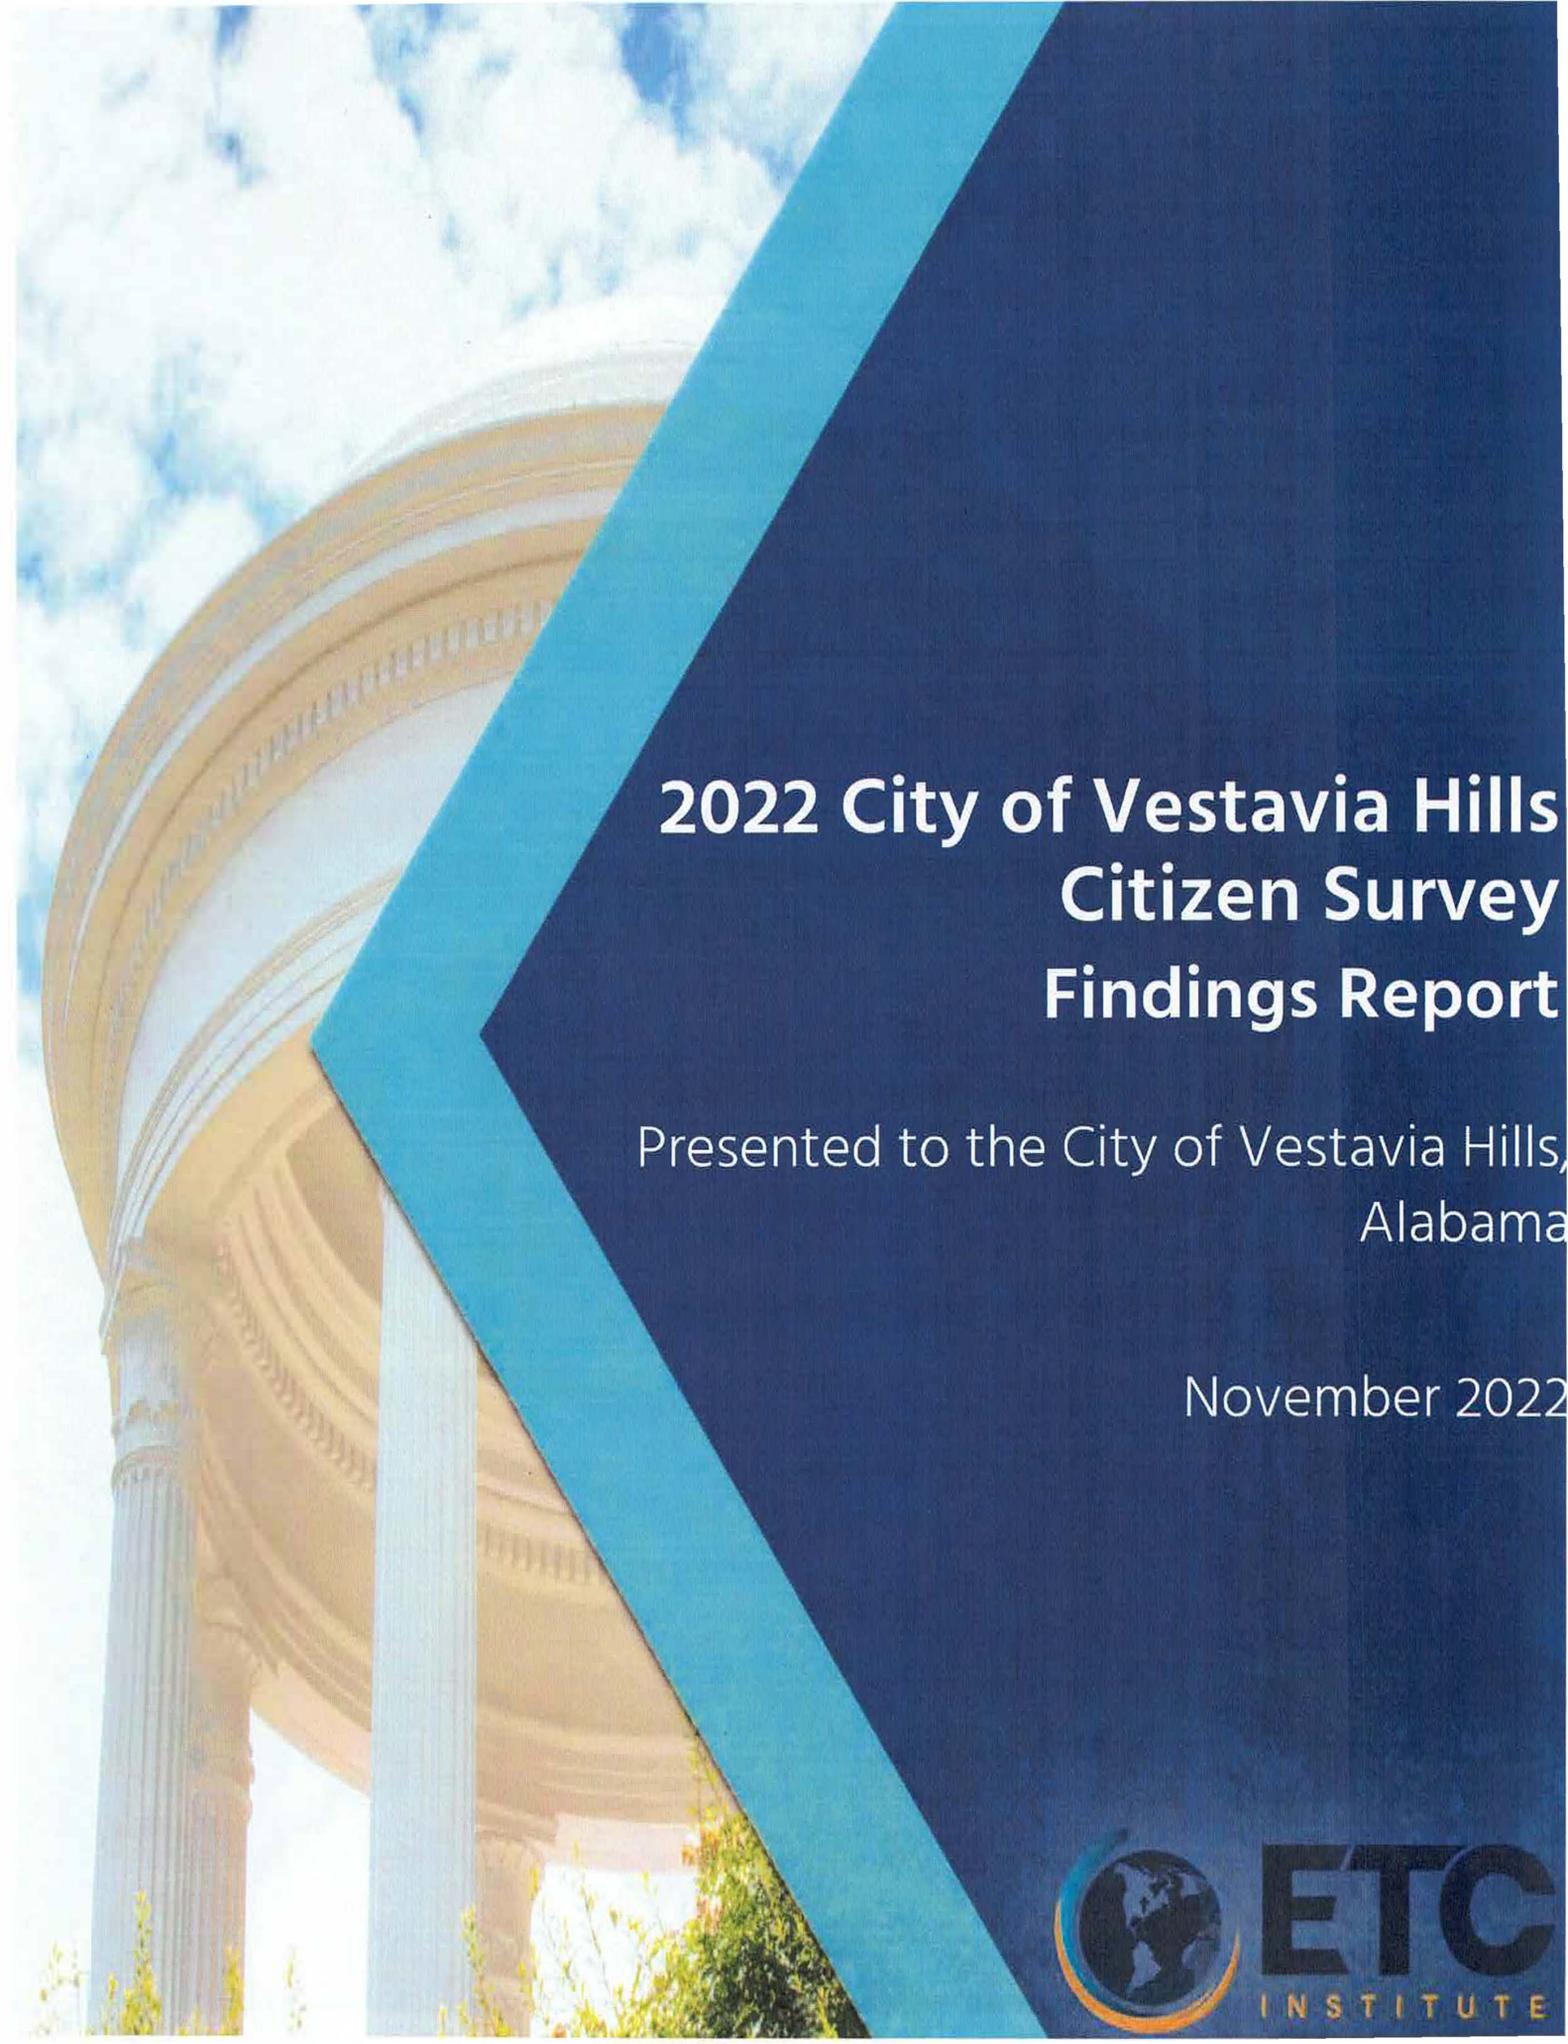

2023 Committee Assignments (To include the BOT Emeritus)

RESPONSIBILITY	PRIMARY	SECONDARY	ASSIGNMENT DETAILS
Budgeting / Finance			Assist with 2023/2024 budget preparation and approval. Attend annual budget hearings.
Facilities / Construction			Work with Deputy Director to evaluate facility needs and funding required for sustaining and improving the facility. Assist with facility updates and construction projects.
Human Resources / Staff Support			Work with Library Director to update job descriptions, resolve personnel matters and staffing concerns as they arise. Support staff training and development opportunities.
Policies			Review and evaluate new and updated policies before submission to the BOT for approval.
Foundation Liaison			Represent the BOT by attending Foundation meetings and serving on committees as needed.
Friends Liaison			Represent the BOT by attending monthly Friends programs and serving on committees as needed.
Junior Board Liaison			Represent the BOT by attending Junior Board meetings and serving with them as needed.
Grant Writing / Funding Opportunities			Work with Library Director, staff and Foundation Board members to locate, write and submit grants for Library.
Outreach to Schools	Entire Board will focus on this.		Liaison to school system, promoting Library services and offerings. Work to establish solid communication and partnerships.
Strategic Planning			Work with Library staff to potentially hire and/or develop and establish a directed effort for developing the Library's future goals and purpose.
Outreach to LP and CH			Work with Library Director and Marketing Manager to formulate strategies for effective outreach to these areas.

Marketing			Work with Marketing Manager by submitting and implementing ideas that promote the library via social media, in-house and in various City publications.
-----------	--	--	--

2023/2024 Initiatives for Final Decisions

- Water bottle filling stations
- Replace flooring at the main entrance
- Projector or video wall for Community Room
- Tesla charging station
- Upgrade library's technology system
- Replace outdoor furniture
- Finish upholstery as needed
- New website
- Other suggestions _____

2022 City of Vestavia Hills Citizen Survey Findings Report

Presented to the City of Vestavia Hills,
Alabama

November 2022

ETC
INSTITUTE

Contents

Executive Summary.....	i
Section 1: Charts and Graphs	1
Section 2: Benchmarking Analysis	57
Section 3: Importance-Satisfaction Analysis.....	79
Section 4: Tabular Data	91
Section 5: Survey Instrument	146

Executive Summary

2022 City of Vestavia Hills Citizen Survey

Executive Summary

Purpose

ETC Institute administered the *DirectionFinder*® survey for the City of Vestavia Hills during the fall of 2022. The survey was administered as part of the City's effort to assess citizen satisfaction with the quality of city services. This is the fifth time that the City of Vestavia Hills has administered a citizen survey with ETC Institute. Previous surveys were conducted in 2011, 2014, 2017, and 2020.

Methodology

A seven-page survey was mailed to a random sample of households in the City of Vestavia Hills. Approximately ten days after the surveys were mailed, residents who received the survey were contacted by email to encourage participation. The goal was to receive a minimum of 400 completed surveys. This goal was met, with 470 households completing the survey. The results for the random sample of 470 households have a 95% level of confidence with a precision of at least +/-4.5%. There were no statistically significant differences in the results of the survey based on the method of administration (mail vs. online). In order to better understand how well services are being delivered by the City, ETC Institute geocoded the home address of respondents to the survey. The map on the right shows the physical distribution of respondents to the resident survey based on the location of their home.

The percentage of "don't know" responses has been excluded from many of the graphs shown in this report to facilitate valid comparisons of the results from Vestavia Hills with the results from other communities in the *DirectionFinder*® database. Since the number of "don't know" responses often reflects the utilization and awareness of city services, the percentage of "don't know" responses has been provided in the tabular data section of this report. When the "don't know" responses have been excluded, the text of this report will indicate that the responses have been excluded with the phrase "who had an opinion."

This report contains:

- a summary of the methodology for administering the survey and major findings
- charts showing the overall results for most questions on the survey
- benchmarking data that show how the results for Vestavia Hills compare to other communities
- Importance-Satisfaction analysis
- tables that show the results for each question on the survey
- a copy of the survey instrument

2022 City of Vestavia Hills Citizen Survey

Executive Summary

Major Findings

- Overall Satisfaction with City services.** The overall City services that residents, *who had an opinion*, were most satisfied with (rating of 4 or 5 on a 5-point scale) were; the quality of public safety services (97%), the quality of public library facilities/services (93%), and the quality of the City's school system (92%). Those surveyed were least satisfied with the quality of the City's stormwater runoff and management system (36%).
- Overall Priorities.** The overall areas that residents thought should receive the most emphasis from the City of Vestavia Hills over the next two years were: 1) maintenance of City streets and facilities, 2) quality of the City's stormwater runoff and management system, and 3) flow of traffic and congestion management in the City.
- Perceptions of the City.** Most of the residents surveyed (92%), *who had an opinion*, were satisfied with the overall quality of life in Vestavia Hills; only 2% were dissatisfied. Most were also satisfied (89%) with the overall quality of services provided by the City.
- Trash Services Provided by AmWaste.** Eighty-six percent (86%) of residents surveyed, *who had an opinion*, were satisfied (rating of 4 or 5 on a 5-point scale) with residential trash collection services provided by AmWaste, and 83% were satisfied with the route schedule. Those surveyed were least satisfied with "mixed stream" recycling services (59%).
- Public Safety.** The public safety services that residents, *who had an opinion*, were most satisfied with (rating of 4 or 5 on a 5-point scale) were: overall quality of local fire protection (98%), overall quality of local police protection (94%), how quickly fire/emergency personnel respond to emergencies (92%), and overall credibility of the police department (92%). Those surveyed were least satisfied with the quality of animal control (71%).
- Feelings of Safety in the City.** Nearly all (99%) of the residents surveyed, *who had an opinion*, felt safe, in general (rating of 3 or 4 on a 4-point scale) in Vestavia Hills. In addition, 99% of residents felt safe in their neighborhood during the day and 99% felt safe on school campuses.
- Codes and Ordinances.** Seventy-six percent (76%) of the residents surveyed, *who had an opinion*, were satisfied (rating of 4 or 5 on a 5-point scale) with the enforcement of codes designed to protect public safety, and 67% were satisfied with the enforcement of cleanup of litter on private property. Those surveyed were least satisfied with the enforcement of maintenance of residential property (61%).

2022 City of Vestavia Hills Citizen Survey

Executive Summary

- City Maintenance.** The maintenance services that residents, *who had an opinion*, were most satisfied with (rating of 4 or 5 on a 5-point scale) were: maintenance of City owned buildings (90%), maintenance of traffic signals (84%), and cleanliness of City streets/other public areas (83%). Those surveyed were least satisfied with the adequacy of City street lighting (64%).
- Parks and Recreation.** The parks and recreation services that residents, *who had an opinion*, were most satisfied with (rating of 4 or 5 on a 5-point scale) were: the maintenance of City ballfields (86%), swimming pools (Aquatic Complex) (86%), the maintenance of City parks (81%), and outdoor athletic fields (70%) Those surveyed were least satisfied with City recreational programs (49%).
- City Communication.** Seventy-seven percent (77%) of the residents surveyed, *who had an opinion*, were satisfied (rating of 4 or 5 on a 5-point scale) with the quality of the community newsletter and 68% were satisfied with the availability of information about City programs and services. Those surveyed were least satisfied with the level of public involvement in local decision-making (52%).
- Library in the Forest.** The Library in the Forest services that residents, *who had an opinion*, were most satisfied with (rating of 4 or 5 on a 5-point scale) were: maintenance of facility and grounds (93%), the hours of operation (90%), the quality of customer service (86%), the availability of traditional library materials (84%), curbside pickup (78%), access and speed of internet (77%), programs and services for children, ages 0-12 (76%), and availability of seating for individual study (75%). Those surveyed were least satisfied with knowledge and use of hashtag #PictureyourselfieVH (52%).
- City Leadership.** Three-fourths (75%) of residents surveyed, *who had an opinion*, were satisfied (rating of 4 or 5 on a 5-point scale) with the quality of leadership by the City's elected officials.
- Customer Service from City Employees.** Of the 38% of residents who contacted the City with a question, problem or complaint during the past year, 90% of those surveyed, *who had an opinion*, indicated the customer service contact was "always" or "usually" courteous and polite. Those surveyed who had contacted the City during the past year were least satisfied with the overall resolution to their issue (68% indicating "always" or "usually").
- Priority for School Facility Improvements.** Eighty-seven percent (87%) of the residents surveyed, *who had an opinion*, gave the highest priority (rating of 4 or 5 on a 5-point scale) to adding new learning opportunities for middle and high school students and 83% gave the highest priority to adding new learning opportunities for elementary students. Those surveyed gave the lowest priority to enhancing energy efficiency of all campuses (51%).

2022 City of Vestavia Hills Citizen Survey

Executive Summary

- Agreement With Various Statements Regarding the School System.** Eighty-eight percent (88%) of the residents surveyed, *who had an opinion*, showed the highest levels of agreement (rating of 4 or 5 on a 5-point scale) with the statement, *“Safety and security of school facilities is of the highest importance.”* Other statements that respondents most strongly agree with include: *“The quality of the school facilities keeps my property value high”* (86%), *“The school system should strengthen the ways it supports students in academic and other challenges”* (82%), and *“I chose to live in Vestavia Hills specifically because of the quality of its schools”* (76%). Those surveyed agreed least with the statement, *“I would support a property tax increase to fund school facility improvements”* (39%).
- Additional Information Needed to Support Tax Increase for School System.** Eighty-nine percent (89%) of the residents surveyed, *who had an opinion*, showed the highest levels of agreement (rating of 4 or 5 on a 5-point scale) that more details are needed about how the Board of Education spends the funds that it already receives. Other information that respondents most strongly agree is needed include: more details about the value of expanding academic programs for all students (84%), and more details about safety, security, and accessibility improvements (81%). Those surveyed agreed least with the need for more details about energy efficiency improvements (70%).

Other Findings

- 44% of those surveyed indicated they have called “911.” Of those, 100% said their call was answered in a timely manner, 99% felt they were treated professionally, and 98% indicated their call resulted in a satisfactory resolution.
- Improvement projects that respondents indicated were the most important, based on the sum of their first and second highest priorities, were: road resurfacing and reconstruction (53%), improved stormwater infrastructure (52%), and expanded police protection and facilities (42%).

2022 City of Vestavia Hills Citizen Survey

Executive Summary

Trends Since 2020

The significant increases and decreases among all of the items that were assessed in 2020 and 2022 are listed below and on the following page; changes of 5% or more were considered significant.

Service	2022	2020	Difference	Category
Community recreational centers	58%	42%	16%	Parks and Recreation
Route schedule	83%	69%	14%	Trash Services Provided by AmWaste

2022 City of Vestavia Hills Citizen Survey

Executive Summary

Investment Priorities

Recommended Priorities for the Next Two Years. In order to help the City identify investment priorities for the next two years, ETC Institute conducted an Importance-Satisfaction (I-S) analysis. This analysis examined the importance residents placed on each City service and the level of satisfaction with each service. By identifying services of high importance and low satisfaction, the analysis identified which services will have the most impact on overall satisfaction with City services over the next two years. If the City wants to improve its overall satisfaction rating, the City should prioritize investments in services with the highest Importance Satisfaction (I-S) ratings. Details regarding the methodology for the analysis are provided in Section 3 of this report.

Overall Priorities for the City by Major Category. This analysis reviewed the importance of and satisfaction with major categories of City services. This analysis was conducted to help set the overall priorities for the City. Based on the results of this analysis, the major services that are recommended as the top priorities for investment over the next two years in order to raise the City's overall satisfaction rating are listed below:

- Quality of the City's stormwater runoff/management system (I-S Rating = 0.3162)
- Maintenance of City streets and facilities (I-S Rating = 0.2950)
- Flow of traffic and congestion management in the City (I-S Rating = 0.1465)

The table below shows the Importance-Satisfaction rating for all 10 major categories of City services that were rated.

by percentage of respondents (multiple selections could be made)

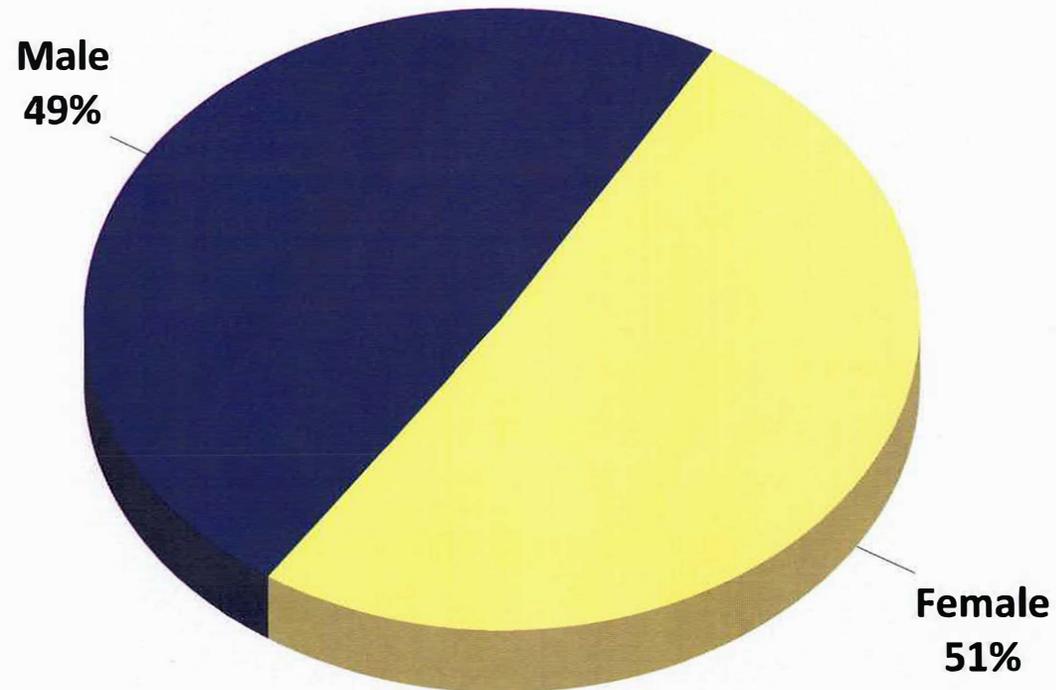

Q38. Demographics: Household Income

by percentage of respondents

Q39. Demographics: Gender

by percentage of respondents (excluding "not provided")

Benchmarking Analysis

Interpreting the Charts

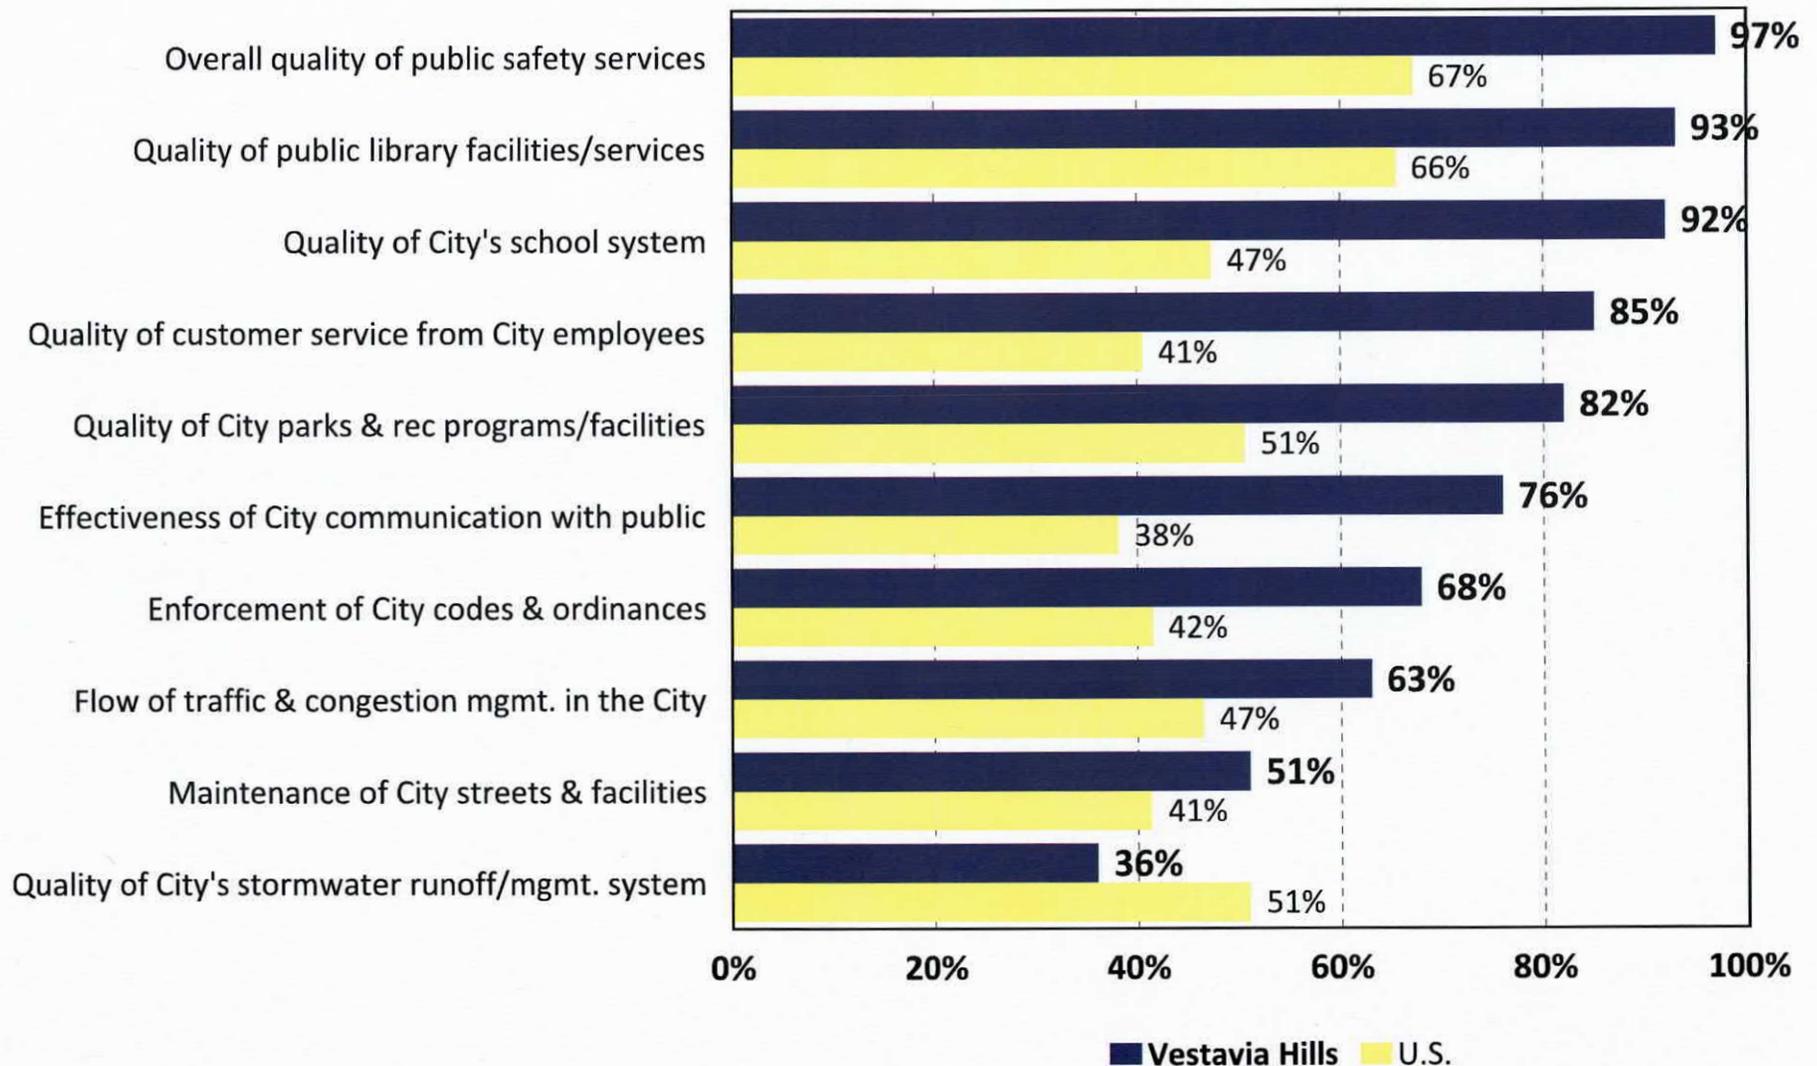

National Benchmarks. The first set of charts on the following pages show how the overall results for Vestavia Hills compare to the national average based on the results of an annual survey that was administered by ETC Institute to a random sample of more than 9,000 U.S. residents during the fall of 2021.

Performance Ranges. The second set of charts show the highest, lowest, and average (mean) levels of satisfaction in the 27 communities listed on the previous page. The mean rating is shown as a vertical line, which indicates the average level of satisfaction for the 27 communities. The actual ratings for Vestavia Hills are listed to the right of each chart. The dot on each bar shows how the results for Vestavia Hills compare to the other communities with a population between 20,000 and 50,000 where the *DirectionFinder*[®] survey has been administered since October 2020.

Overall Satisfaction with Major Categories of City Services

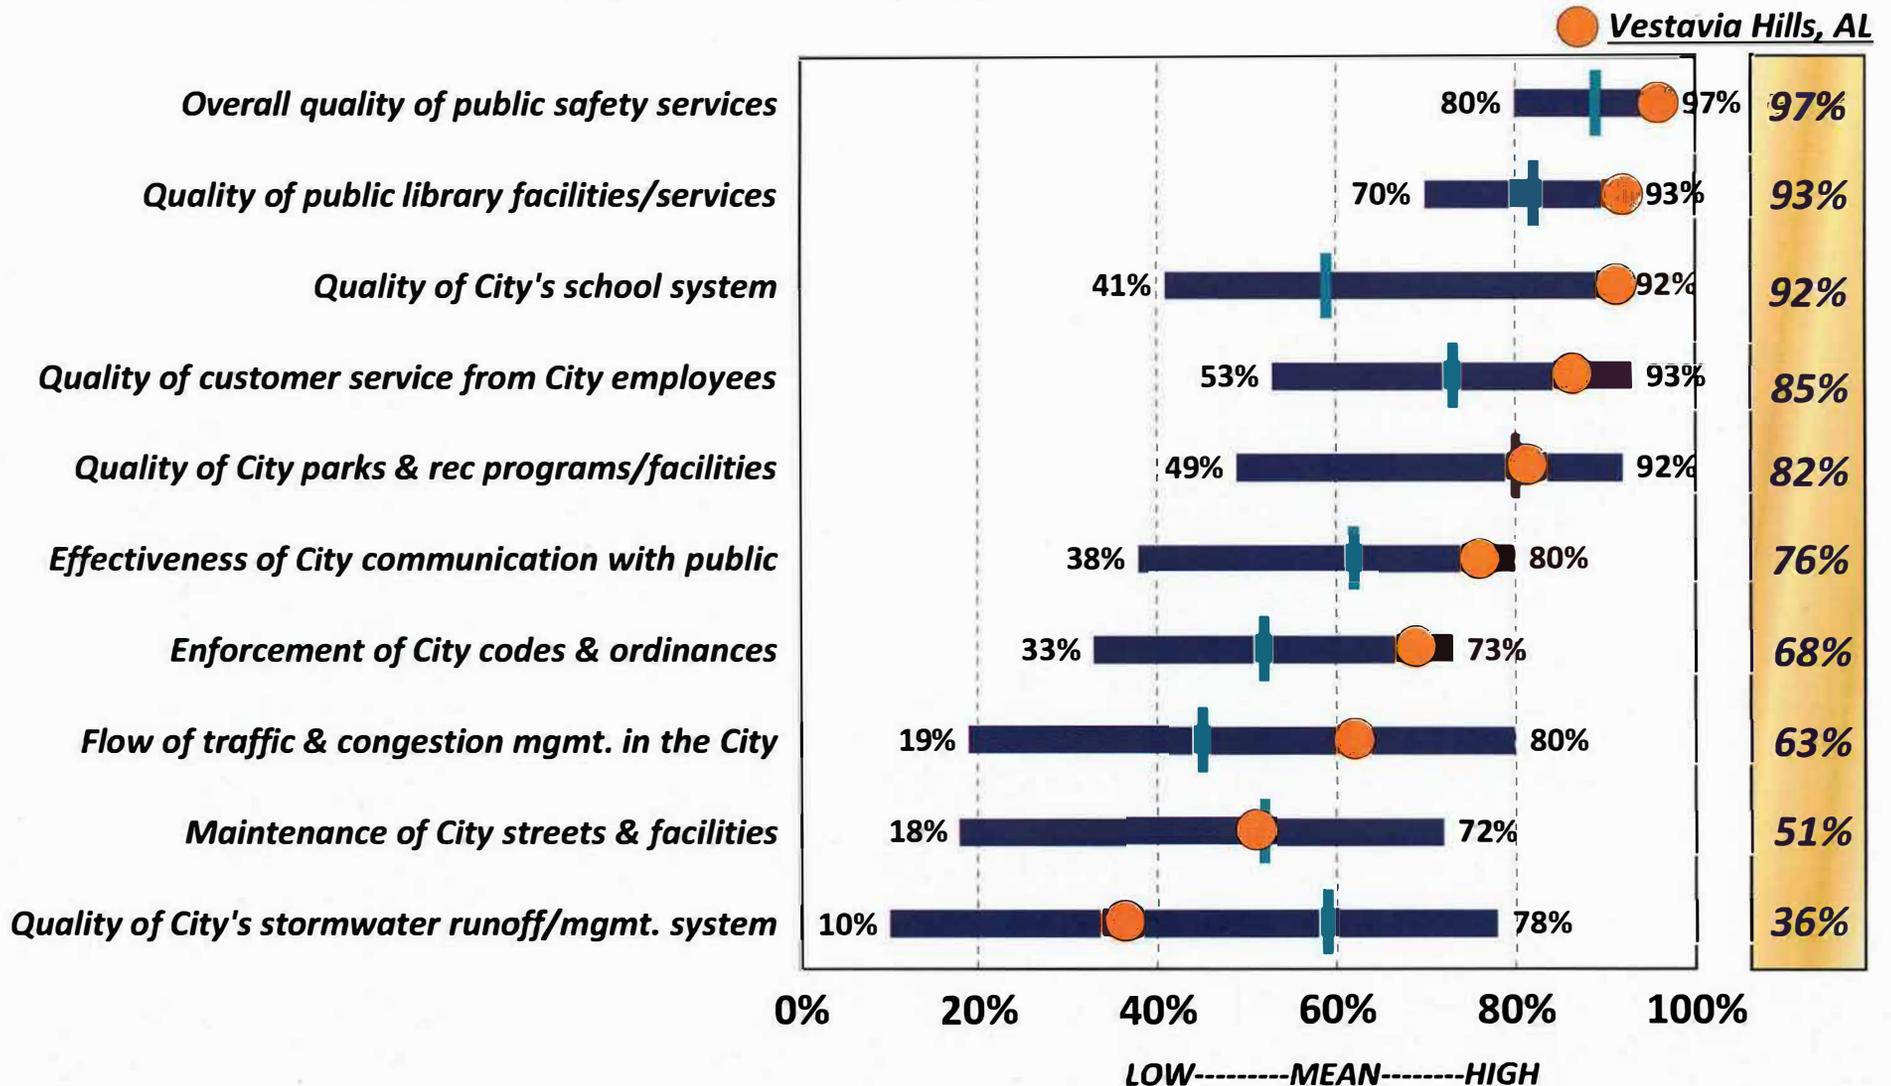

Vestavia Hills vs. the U.S.

by percentage of respondents who rated the item 4 or 5 on a 5-point scale where 5 was "very satisfied" and 1 was "very dissatisfied" (excluding don't knows)

Overall Satisfaction with Various City Services by Major Category - 2022

by percentage of respondents who rated the item 4 or 5 on a 5-point scale where 5 was "very satisfied" and 1 was "very dissatisfied" (excluding don't knows)

Importance-Satisfaction Rating

City of Vestavia Hills, AL

OVERALL

Category of Service	Most Important %	Most Important Rank	Satisfaction %	Satisfaction Rank	Importance-Satisfaction Rating	I-S Rating Rank
<i>Very High Priority (IS >.20)</i>						
Quality of City's stormwater runoff/mgmt. system	49%	2	36%	10	0.3162	1
Maintenance of City streets & facilities	60%	1	51%	9	0.2950	2
<i>High Priority (IS .10-.20)</i>

Note: The I-S Rating is calculated by multiplying the "Most Important" % by (1-'Satisfaction' %)

Most Important %:

The "Most Important" percentage represents the sum of the first, second, and third most important responses for each item. Respondents were asked to identify the items they thought should receive the most emphasis over the next two years.

Satisfaction %:

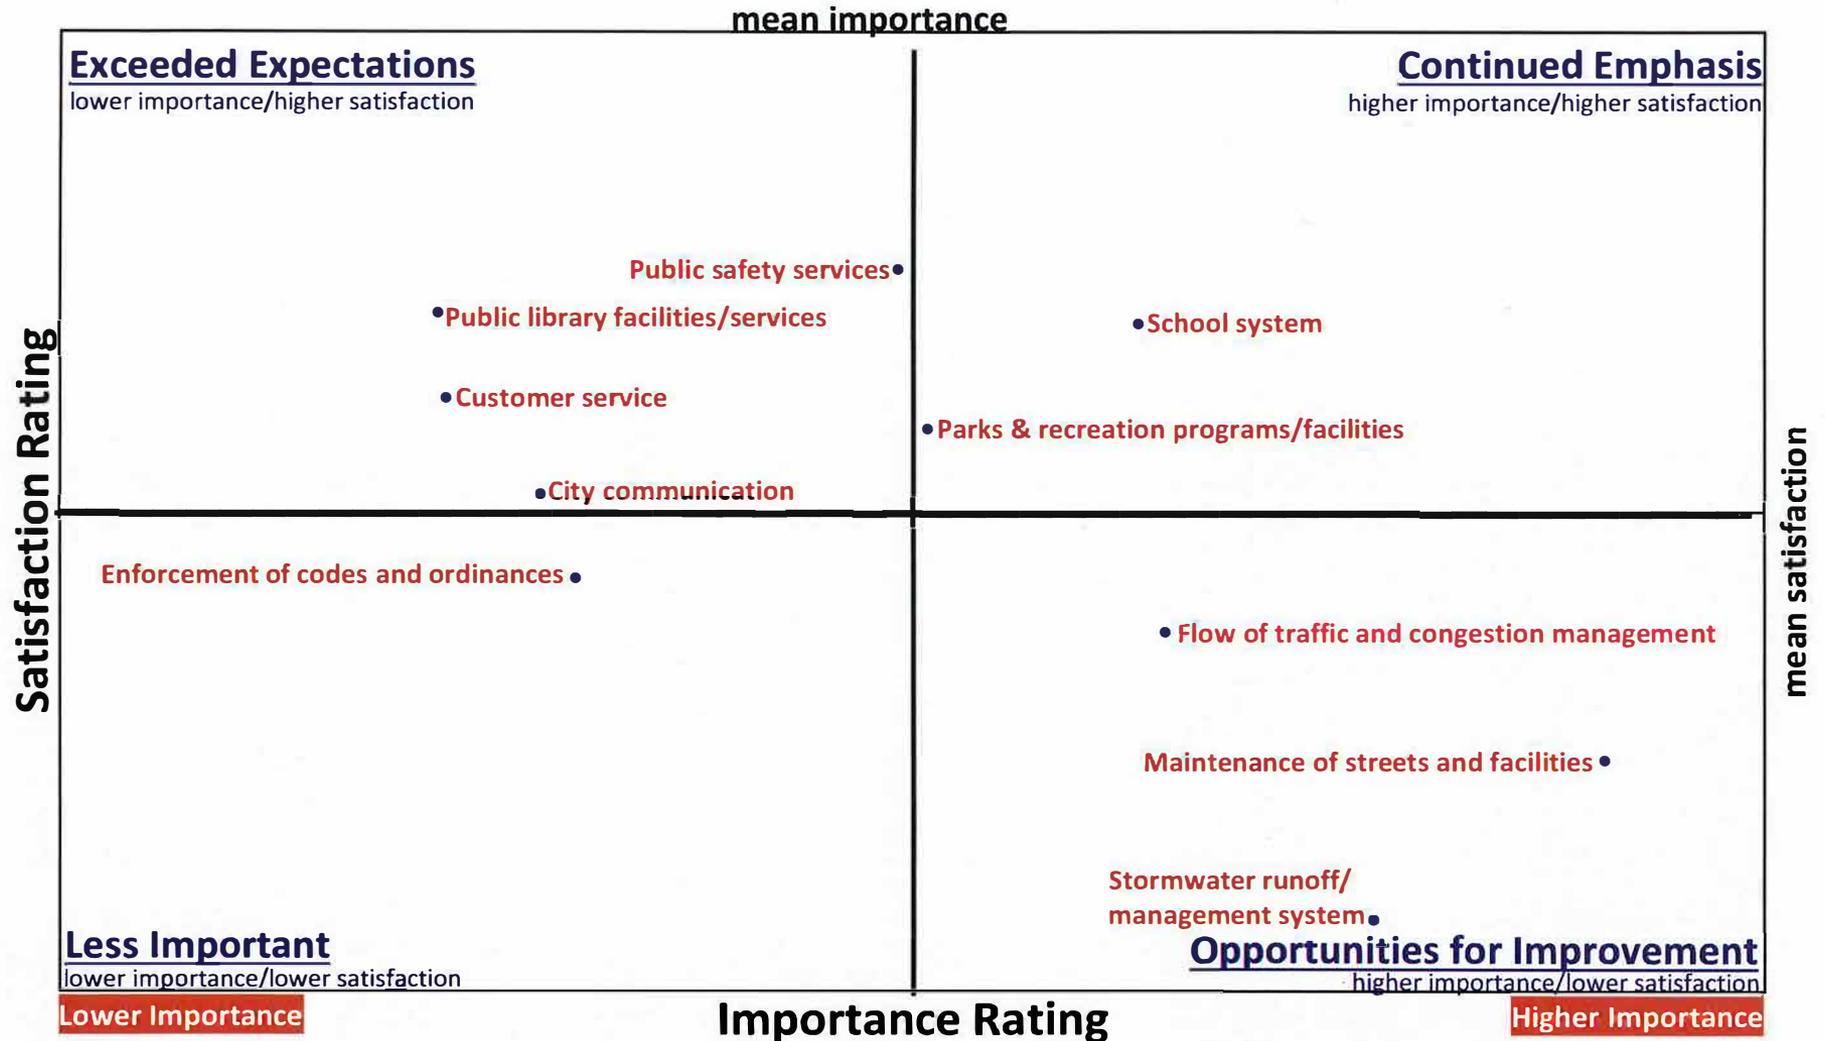

The "Satisfaction" percentage represents the sum of the ratings "4" and "5" excluding 'don't knows.' Respondents ranked their level of satisfaction with the each of the items on a scale of 1 to 5 with "5" being very satisfied and "1" being very dissatisfied.
