Director's Notes

Library Goals / New Services

- The library's theme for 2023 is ***Better Together***. Over the course of the year, the enthusiasm for the #PictureYourselfieVH hashtag declined and there was not enough momentum to sustain the effort. I decided not to apply for the John Cotton Dana Award this year but will investigate other opportunities to apply in the future.
- The Agati Pods have arrived and are a huge hit with the library patrons and staff. Make sure to sit in one (if it is available) during your next visit.
- The library is partnering with the Alabama Symphony Orchestra by serving as a location for interested residents to pick up free tickets.
- The Adult Department is in partnership with Aveanna Healthcare. They are a large healthcare organization sponsoring an initiative to create libraries in local nursing homes for patients and caregivers. The Adult Department donated 15 boxes of weeded items: large print titles as well as leftover audiobooks, nonfiction DVDs, and regular print books that normally would have gone to Better World Books. Terri Leslie states, "I'm excited to partner with them because it serves a great purpose – putting books that are needed and wanted into the hands of those who would not get them otherwise – and the efforts are all local. They also were thrilled to get the audiobooks." This will be an ongoing partnership.

Technology Furniture and Building Maintenance

- The SAN was successfully installed but following C-Spire shared that the library has more technology matters to address. CSpire provided Rick Moody with a quote for replacing the two host servers, updating the Microsoft operating systems, and upgrading the VM Ware software to a supported version. The quote for doing this is \$34,157, However Rick estimates that we could receive an \$8,000 discount if the Library purchases the Microsoft licenses through TechSoup. (Listed as a 2023/2024 initiative.)
- We plan to reupholster some library furniture to include the chairs in the Electronic Classroom, Children's Department, chairs near the frog, etc.
- The City created a Building Supervisor position that has been filled by Mark Gibbs. Mark will work with Billy and Daniel to make sure the building remains in great condition.

2023/2024 Initiatives for Discussion

- Water bottle filling stations
- Replace flooring at the main entrance
- Projector for Community Room
- Tesla charging station
- Upgrade library's technology system
- Replace outdoor furniture
- Finish upholstery as needed

Staff and Library Happenings

- Todd Richardson joined the staff in October as the library's Marketing Department Head. Todd came with a wealth of marketing expertise and experience.
- Gracie Roth joined the Teen Department.
- Ashley Bean, part-time circulation clerk resigned to take a full-time position at Hoover High School as a receptionist.
- Bethany Michell's father passed away. Please keep Bethany and her family in your thoughts.
- Halloween was magical at the library. We hosted the annual pumpkin decorating contest and staff wore the favorite costumes. The winning pumpkin was designed based on To Kill a Mockingbird.
- 23 people signed up to use the Halloween-themed photography studio. Walk-ins were also welcome and some took photos during the library's Spooktacular program.

VI. Unfinished Business

a. SAN and LSTA Reimbursement Update – Mr. Tackett

The library received an \$18,033 LSTA reimbursement payment for purchasing the SAN device, which paid for most of the SAN's costs. The city covered the remaining 25% and the installation costs. Money saved on costs will be deposited to the city's Fund 20 account. The SAN is installed and running, but it requires an adapter before the transfer of data is complete. It should be fully operational within two weeks. All aspects of the LSTA grant are complete.

Ms. Tucker stated that the SAN arrived late due to backorders in the technology market. As a result, the check from the state arrived early and was deposited. Ms. Tucker will write an \$18,033 check to the city for proper allocation of the funds.

b. *Agati Pods and Chair Purchase Update – Mr. Tackett*

Two Fund 20 capital improvements for this fiscal year are underway. The Agati Pods will be shipped by October 3. The pods will replace some of the current lounge seating, providing more seating for individuals. Replacement staff chairs will be shipped by September 21. This will conclude all the capital improvements for this fiscal year.

VII. New Business – Ms. Tucker

a. *LSTA Grant for Electronic Materials – Mr. Tackett*

The library received a \$15,000 LSTA grant for the next fiscal year to purchase electronic materials. These materials include ebooks and digital audiobooks from OverDrive. Librarians in each of the library's departments select suitable items to add to the collection based on popularity, diversity and other factors. Usage of the library's digital collection continues to climb. As a result, an increasing amount of the library's collection funds is spent on purchasing electronic materials. While every library has a need to expand its digital collection, the Vestavia Hills Library received a high score for the grant and thus was able to obtain this important funding. The total amount of collection funds including the library's existing funds and the new grant equals \$18,250 – \$18,350. The library will purchase the items in October or November to track the materials' usage statistics throughout the new fiscal year.

b. *2023 Holiday Schedule – Ms. Tucker*

The library's holiday schedule coincides with the city's schedule. Ms. Tucker noted that it may appear that the library is closed for more days than the city. However, the library must account for weekends while the city does not because it is closed on weekends. In 2023, the library will be open on Good Friday and Veteran's Day. These days are used as floater holidays because the city will be closed for both days. Mr. Laughlin motioned to approve the 2023 Holiday Schedule. Mr. Archer seconded the motion. The 2023 Holiday Schedule was unanimously approved.

c. *2023 Staff Meeting Schedule – Ms. Tucker*

Library staff meets every other month at 8am unless a meeting is unnecessary. The library opens at 10am on staff meeting days. Mr. Laughlin motioned to approve the 2023 Staff Meeting Schedule. Mr. Archer seconded the motion. The 2023 Staff Meeting Schedule was unanimously approved.

d. *Winter Study Extended Hours December 12-14; 9 am – 9 pm – Mr. Tackett*

The library will remain open until 9pm on December 12-14, which is a Monday through Wednesday. This coincides with the final exam week of Samford University and Vestavia Hills High School and allows students more time to study at the library. Mr. Laughlin

motioned to approve the Winter Study Extended Hours. Mr. Archer seconded the motion. The Winter Study Extended Hours were unanimously approved.

e. *Qualifications for Library Board – Ms. Tucker*

Ms. Tucker asked the board to review a document listing the desirable qualifications for library board applicants and to send her any needed updates. The mayor will present this information in late September or early October to the council and interested residents. The library board has two vacancies this year: the positions of Greg Laughlin, Vice Chair, and April MacLennan, Chair. Both board members can request to apply again if desired.

f. *Library Budgets Review - Funds 01, 12, 13, 20 – Ms. Tucker*

This has been a profitable year for the city. As a result, City Manager Jeff Downes plans to continue longevity pay and merit increases for eligible employees, authorize a 5% COLA and enact other measures with the remaining funds from the budget. Additionally, the library has been allocated a 3% increase in its budget for the 2022/2023 fiscal year. For the capital budget, Ms. Tucker requested the following: computer chairs for the Adult Department, chairs for the Children's Department, reupholstery for the computer lab chairs and patron chairs, computer controls for the library's front doors and a new fire alarm control panel. All capital requests were approved. Ms. Tucker stated that she budgeted for potential increases in costs in specific areas and that the budget is conservative in its spending.

Ms. Tucker is currently interviewing for a full-time Graphic Artist / Marketing Specialist. This employee will replace Cinnamon McCulley, who has been creating the library's graphic designs and communications. Ms. McCulley will move to the city's Administration Department full time. Library Assistant Eden Pfaff will also move with Ms. McCulley. Ms. Pfaff will continue to manage the library's social media, but she will also work closely with Ms. McCulley for the city's needs.

g. *JCLC Annual Contracts – Ms. Tucker*

Ms. MacLennan signed the JCLC annual contract for the upcoming fiscal year. This contract explains how the library interacts with JCLC and provides fee information. The library will spend \$61,013.97 in JCLC fees, of which \$27,000 comes from state aid. The remaining costs are budgeted in the library's General Budget.

VIII. Committee Reports

IX. Friends Report – Ms. Bodenheimer

The bookstore continues to be the Friends' major source of income, generating \$537.50 in July. Overall, the Friends possess just under \$51,000 in the bank account, the CD and the money market account. The Friends will have their first meeting for the 2022/2023 fiscal year in September. They also plan to set up a table at a local health fair the following week to help promote the library, recruit new members and increase awareness. Ms. Bodenheimer and Ms. Preston will co-chair the Friends for the 2022/2023 fiscal year. Nancy Golden will oversee programming for the Friends, Dave Melvin will serve as the treasurer and Leigh Melvin will manage the bookstore. Former bookstore volunteer Margaret Denson passed away this summer, as did Friends member Joyce Thompson.

X. Foundation Report – Ms. Tucker

The Foundation's new fundraising initiative, "Let's Write the Next Chapter", launches September 19-24. Foundation members create an online donation page with Swell Fundraising and encourage the community to give, promoting the fundraiser on social media and other online outlets. Levels of giving vary from Novella, Chapter Book, Epic and more.

XI. Informational Items

a. Board Initiatives for Next Year – Ms. Tucker

Ms. Tucker requested that the board consider initiatives for the upcoming year. Much has been accomplished in the current year including the purchase of the Agati Pods, new furniture and more. Requests that met capital funding criteria are already included in the budget for next year.

b. Halloween Photography Studio: October 11-31 – Ms. Tucker

The library will provide a photography studio for Halloween on October 11-31. Patrons bring their own phones or cameras and take photos for free using the Makerspace's spooky scene.

c. Content Marketing World: Cleveland, OH, September 13-16 – Ms. Tucker

Cinnamon McCulley and Ms. Tucker will attend the Content Marketing World conference in Cleveland, OH September 13-16.

Dr. Bartlett inquired about updating the Community Room projector. Currently, the projector is not suitable for displaying professional photography. Ms. Tucker stated that she was not aware of this issue and that she will follow up with Rick Moody to discuss the possibility of an upgrade.

XII. Adjournment

The meeting adjourned at 4:37pm. The next BOT meeting is Wednesday, October 26, 2022 at 4pm at the Vestavia Hills Library.

"Council Passes Fiscal 2023 Budget"
Neal Embry

Council Passes Fiscal 2023 Budget

The Vestavia Hills City Council on Sept. 12 passed the fiscal 2023 budget, which includes dedicated funding of stormwater improvements, employee pay raises and several other city priorities.

The fiscal 2023 budget projects an increase of more than 11% in revenues compared to fiscal 2022's budget. The dollar amount is about \$58 million, a roughly \$6.1 million increase from fiscal 2022's budget.

Still, in an effort to be conservative, the amount budgeted for revenues is equal, not greater than, the actual projected revenues from the current fiscal year, Downes previously said.

Employee raises highlight the budget, in an effort to hire needed workers and help employees during an inflationary period, Downes previously said. Other priority areas include funding for increased fuel costs, historic funding for stormwater improvement and two new fire engines, which will be purchased during fiscal 2024.

For more details on this year's budget, visit the city's [website](#) and read previous Vestavia Voice [reporting](#) on the [issue](#).

The council also approved the final 10% of fiscal 2022's budget, as well as a resolution affirming the employee raises included within the budget.

A long-term effort to build a pedestrian bridge over U.S. 31 connecting Wald Park to the Vestavia Hills Library in the Forest took a step forward at the meeting, as the council agreed to paying about \$51,000 to Gresham Smith to redesign the project, with the Metropolitan Planning Organization picking up the rest of the roughly \$256,000 tab. The redesign is necessary as the original, single-span design was deemed not feasible, Downes said.

Downes told the council there is a chance, with their approval, the city could benefit from the Mine Reclamation Project, which wants to come in and take down a wall adjacent to ball fields at the Sicard Hollow Athletic Complex. Workers would take down the wall and, in addition, make the land more suitable for future use, potentially as a fire and police training space. The changes would not cost the city anything, Downes said.

In his report to the council, Downes also said paving would begin on Lake Parkway Sept. 21.

Raynor Boles with TCU Consulting said work crews for the city would be gone from Crosshaven Drive before Halloween, but could not speak to the county's portion of the project. At Wald Park, Boles said with a notice to proceed being given recently, work should pick up.

The Vestavia Hills Civic Center does not have an official opening date, but has events scheduled in mid-October. Boles said there is still an extensive punch list to complete before the civic center can be turned over.

The council also heard from a resident in the Shallowford Road area who requested work be done to cut trees that are in the creek down, as they are adjacent to homes and causing both flooding issues and at times, home damage. Downes said the city is evaluating whether the city, Jefferson County or private landowners are responsible for the area in question.

In other business, the council:

Approved alcohol licenses for Chuck E. Cheese, Waldo's Chicken and Beer, and Davenport's Pizza

Designated some city equipment as surplus

Approved financing for some city vehicles through Robertson Banking

“Alabama Symphony Announces Launch of Library Partnership Program”

Alabama Symphony Announces Launch of Library Partnership Program

The Alabama Symphony Orchestra has announced the launch of a pilot program with area libraries called Check Out the Symphony.

Through this initiative, library card holders in select communities are able to “check out” the symphony by checking out ASO concert tickets at their local library for free.

The Hoover Public Library, North Shelby Library, Vestavia Hills Library in the Forest, Homewood Public Library, O’Neal Library and Birmingham Public Library have been given physical tickets to all 26 of the orchestra’s Masterworks and Coffee performances to distribute to their patrons. The number of tickets per library varies from four to 20 per performance depending on size of the library, with the opportunity to offer more if demand is high.

Judith Wright, director of the Homewood Public Library, said libraries are constantly evolving to meet the needs of the community, and this partnership is a prime example.

"The Homewood Public Library is thrilled to partner with ASO to provide free tickets to our community members," Wright said. "It showcases how libraries have changed to meet the needs of our community to become cultural and community centers."

Kate Etheredge, director of the North Shelby Library, said she hopes the availability of the tickets from the library will give more patrons who haven't previously been to an ASO concert the chance to experience it.

Each library has different methods for reserving tickets, with different conditions in place, such as limits to the amount of tickets per household, and how many times per season each household may participate in this offer. For more information on how to access free tickets through your local library, visit alsymphony.org/library.

NANCY C. PACK, Ph.D.
DIRECTOR

ADMINISTRATIVE MEMORANDUM – #23-01

October 5, 2022

TO: Public Libraries Administrators

FROM: Nancy C. Pack, Ph.D., Director 
Alabama Public Library Service

SUBJECT: Administrators' Meeting – October 27, 2022

The Administrators' Meeting will be held on Thursday, October 27, 2022 at the Alabama Public Library Service. Registration is from 9:00 a.m. – 10:00 a.m., and the program will begin at 10:00 a.m. This is the first in-person Administrators' Meeting since FY2020, and the first meeting of FY2023. The meeting will not be offered through videoconference. If you cannot attend the meeting, please e-mail Vanessa Carr at vcarr@apls.state.al.us with the subject line Admin Meeting.

APLS will reimburse you for gas mileage at the state rate of 62.5 cents per mile round trip. Attached you will find information for completing paper work for reimbursement.

Kelyn Ralya, Assistant Director for Federal Programs and LSTA Grants Coordinator, has a workshop for new directors, those who want a refresher course on the LSTA grants process, and for those who have not had training in three years. To be eligible to apply for a competitive grant and to receive a grant award, each applying library, library system, or cooperative library network must send a project administrator, library director, trustee, or other qualified representative to a grant training workshop conducted by APLS staff if the applicant has not attended a workshop during the previous three grant cycles or if the grant program has been modified. The training workshop shall consist of two components: (1) training on how to apply for a grant; and (2) training on how to administer a grant project.

APLS has to establish a baseline for services we provide through LSTA. At the Administrators' meeting you will be asked to rate where you think we are. This is a very important survey and will be used for monitoring the LSTA program at the end of the year. We need your honest opinion as we move forward with the 2023–2027 LSTA Five-Year Plan. There is a full agenda and much to share with each other. I look forward to seeing you at the meeting.

Please be reminded that to qualify to receive state aid funding, Administrative Code, Chapter 520-2-2-.03(3) Library Establishment, Policy and Service Requirements states: All Directors, Board members, and/or designated staff of public libraries must attend at least two APLS-sponsored meetings per year either on- site or by videoconference...
